MEMO TO: The University Community  
FROM: Earl Lazerson *E. Lazerson*  
SUBJECT: President's Annual Speech

I would urge each of you to be in attendance for the President's speech to the University community, Thursday, September 29, at 4 p.m. in the Communications Building Theater.

It is the President's intent that this address become an annual fall tradition. There are two basic purposes:

- to provide an update on developments that affect the University, outlining both on-campus and off-campus activities and concerns; and
- to suggest directions for the future.

For those of you unable to sit in the theater, the speech will be televised live to several on-campus locations by the closed circuit transmitting facilities of the University Broadcasting Service. These locations include the Goshen Lounge in the University Center, University News Service, and the lobby of the Communications Building. The speech will be taped for delayed radio broadcast at 7 p.m. by WSIE-FM (88.7), the campus radio station. It also will be videotaped and made available to campus groups for later viewing.

Immediately following the speech, a reception will be held in the lobby of the Communications Building to give faculty, staff and students an opportunity to meet new and existing members of the President's staff. I look forward to seeing you there.
